

SIGMA PHI EPSILON
THE UNIVERSITY OF TENNESSEE

March 27, 2017

Dear Guidance Counselor:

Over the past twenty-five years, the Tennessee Alpha Chapter of Sigma Phi Epsilon has awarded more than \$75,000 in scholarships to outstanding incoming freshmen males at the University of Tennessee through the Balanced Man Scholarship Program. This year we are pleased to announce we will be awarding a total of \$5,000 in awards. The goal of our program is to identify and recognize the most outstanding incoming male students. To that end, we are asking for your assistance.

Please copy and share the enclosed scholarship announcement with any male students who will be attending the University of Tennessee Knoxville this fall. Applicants are under no obligation to go through formal recruitment or join the fraternity. Sigma Phi Epsilon prides itself on being a valued partner in higher education and our Balanced Man Scholarship Program is one way we try and achieve that goal.

Should you have any questions regarding the program, please feel free to contact me. Thank you in advance for your assistance in helping ensure the best and brightest students apply for our scholarships.

Yours truly,

Zachary Skaff

Balanced Man Scholarship

Tennessee Alpha Chapter of Sigma Phi Epsilon

Sigma Phi Epsilon is a fraternity of quality men. We hold each other to high standards and aspire to be successful in all walks of life. Becoming a better man is an ambition of all members of SigEp.

The core belief of our chapter is that men should constantly work to maintain a sound mind and a sound body.

Four aspects of life that all men must strive for:

Leader
Scholar
Athlete
Gentleman

For the past 25 years our scholarship has rewarded young men who demonstrate the traits we believe are important in leading a balanced lifestyle.

Benefits of Scholarship

Our application process is an outstanding way for seniors to meet current students at The University of Tennessee. It aids young men as they prepare for one of the most important stages of their lives. The process of selecting winners for our scholarship gives prospects an opportunity to practice interview skills, something that many young men do not have experience with and something that is vital for future development. The application helps applicants assess their strengths, as well as identify areas for improvement.

Details of Scholarship

The scholarship is for graduating male seniors.

They must be enrolling at The University of Tennessee Knoxville in the fall of 2017.

There is no obligation to join Sigma Phi Epsilon or any other fraternity at Tennessee.

1st Place - \$1,500

2nd Place - \$1,000

3rd Place - \$500

We will also award four \$500 scholarships to the applicants who greatly excel in the four categories: Leader, Scholar, Athlete, and Gentleman
